# Tao Bin Café Machine

By combining the best specialty ingredients with modern technology, cloud computing, and robotics, we are transforming the entire cafe experience.

A state-of-the-art machine here to provide you irresistible, customizable, gourmet beverages on the go and on-demand. The Tao Bin BaristaBot uses freshly ground Arabica coffee and top ingredients to deliver quality, consistency, and convenience all in 1 square meter.

## Customizable Flavors

### Sweetness

No sugar  Less sweet  A bit sweet  Sweet  Very sweet

### Toppings

- Espresso shot
- Lemonade shot
- Caramel Syrup
- Kokuto Syrup

With Tao Bin's unique features, customers can customize their drinks as they desire:

- Building their own original coffee.
- Adding extra ingredients.
- Selecting their preferable sweetness level.
- Increasing a sourness level of a lime-added drink.

# A Convenient Café Machine for Every Venue

## 80+ choice of drinks

Uses freshly ground arabica beans and recipes of Thailand's elite baristas to deliver quality and consistency

## Fully Unattended

A robotic, fully-automated barista available 24/7 to address audience demand of varying sizes and cycles.

## Small Footprint

Beautifully modern design combined with an intuitive UI personalized customer service all in a sqm.

## Smart Touch Screen

All machines fitted with a 32" TFT screen. Taking orders via a large touch screen. Easy to use.

## Various Payment Methods

Tao Bin supported both cash payment and QR code payment to ensure the convenience of your customers.

## 24/7 Supports

Connected online around the clock, our 24/7 service team can promptly provide a new setup and support at anytime
